Sound control

During the exhibition, the exhibitor should control the booth artificial sound below 75db. Exhibitors should comply with the rules and regulations as set by the Organizers related to onsite noise control

Exhibitors who are going to have onsite performance at their booth must notify the Organizers by Feb 1, 2020 to obtain prior approval from the Organizers and agree to play according to the schedule as approved or assigned by the Organizers. Any unauthorized performance will not be permitted. The Organizers reserve the right to impose a fine of RMB 5,000 for any unauthorized performance by exhibitors. Uncooperative exhibitors may be banned from having performance at their booth in Asiamold in future.

14. Authority of premises

In the event of any problems or disputes on-site, the decision of the Organizer, being leaseholder of the premises, will be final. The Organizer also reserves the right to amend any earlier decision made in order to meet and satisfy any unforeseen or prevailing circumstance for the benefit of the Exhibition and concerned parties.

15. Intellectual property rights / copyright

The exhibitor warrants that the exhibits and packages thereof and the related publicity materials do not in any way whatsoever violate or infringe any third party's rights including trade marks, copyrights, designs, names and patents whether registered or otherwise, and agree to fully indemnify the Organizer and its agents and contractors against all costs, expenses and damages arising from any third party's claim of infringement by an exhibitor and / or the Organizer of such third party rights.

The Organizer has the right to require exhibitors to remove exhibits which are suspected to be violating intellectual property rights or copyright. The Organizer has the right to refuse participation of any exhibitors found guilty of infringement of intellectual property rights at any future trade fairs.

16. Political issue

All exhibitors, especially Taiwanese companies, please note that no sensitive political wordings should appear in all the advertising or promotional materials as well as name cards. This issue is very sensitive in the mainland China. Police will check on site and any materials containing these wordings are not allowed for distribution or will even be confiscated.

17. Unforeseen circumstances

In the event of any occurrence not foreseen in these "Rules and Regulations" and the terms stated in the contract, the decision of the Organizer shall be final.

General Information about China

Communication

Interpreter and business cards – An interpreter is strongly recommended because not many Chinese business partners speak English. Furthermore, business cards are very important means of communication. They should be translated into Chinese. It is very important for business associates to exchange business cards. Cards are always offered and received with both hands after the initial greeting.

- 2. If drawings are not submitted before the deadline, custom design will not be allowed and a standard booth will be built by the Contractor that Organizer appointed.
- 3. Electrical installation plan must also be submitted in triplicate.

Approval of design proposals

The Organizer may require amendments or variations to be made to the design plan or proposals before approval, or may withhold approval at its discretion.

No custom-built booth shall be permitted at the exhibition unless the Organizer has approved the plan and design proposals in writing.

Special design booth exhibitors must ensure that they and their contractors are fully aware of the following points when preparing design proposals. Failure to observe these rules may result in costly on site alterations required by the Organizer and / or the exhibition hall at the exhibitor's expense:

- 1. Site measurements are given in metric measurements. Exhibitors, upon arrival and before commencing construction work, are required to check if the site is set out as per the floor plan issued by the Organizer, and to report any errors to the Organizer immediately. The Organizer will not be liable for any errors that are not reported before construction begins.
- No part of any structure may extend beyond the boundaries of the site allocated. This includes spotlights and exhibitor's name or logo. No stand decoration, stand fittings or exhibit shall exceed 3.5m in height for the standard booth. (Raw space height limit is 6m)
- 3. Guidelines for constructing double-floor booth: the constructing of this kind of booths can only be allowed after declaring to the Fire Fighting Bureaus, further more, the net area of the booth should be

at least **100m²**, and not be adhere to other booths. The total height cannot over 6 meters; the second floor can only be used as the bargaining room, and it's area can only be 30% of the first floor at most. Pls contact our official contractor for detail instruction.

Important Notes for Raw Space Exhibitors

- 4. No suspensions are to be made from the ceiling of the exhibition hall, nor may any fixing be made to the floor, walls or any other parts of the building.
- 5. The name and booth number of the exhibitors must be prominently displayed and faced to the aisle. The Organizer reserves the right to affix them as they see fit and to charge the cost incurred to the exhibitor.
- 6. All surfaces of booth construction exposed to the public view shall be decorated to a finish approved by the Organizer (inclusive of backside panels / parts of booth adjoining other booths or aisles).

7. Paint spraying, welding and the use of electrical saws are strictly prohibited inside the exhibition hall.

- 8. Exhibitors must provide approved protection between carpet and any raised platform. All materials used in the construction and decoration of exhibition stands or set-ups must be flame-retardant and be subject to inspection by the Exhibition Venue and / or the Organizer. They should also conform to the rules and regulations of the Exhibition Venue and those of any public authority or department of the Chinese Government.
- 9. The transporting, assembling, dismantling and the removing of stands of raw space exhibitors are the responsibility of the exhibitor themselves. All such work must be carried out according to arrangements and within the time limits specified by the Organizer.
- 10. Exhibitors are responsible for insurance, which indemnifies the Organizer from all claims caused by on site operatives working directly or indirectly for the exhibitors.
- 11. Construction waste and surplus materials must be cleared from the exhibition site by the exhibitor.
